### REGISTRATION RENEWAL PROCESS & DEPOSIT

All currently enrolled students will have their enrollment automatically renewed by **February 15**. There may be some information that will need to be updated from individual families, but the majority of the registration renewal process will be completed by the school. In March, a **\$200 non-refundable deposit** will be charged to the family’s FACTS account for each student for registration renewal. This deposit will be applied to tuition.

Any family **not** wishing to renew their registration must contact the Admissions Department for instructions regarding the separation process. Withdrawal forms must be completed, and an exit interview with the Head of School (or campus principal if Head of School is not available) will occur prior to completion of withdrawal process. Until the withdrawal process is completed, all pertinent fees will be applied.
