Summer Fun will be back this year, new and improved. We will be going back to our format from years past while adding fascinating “Enrichment Sessions”, exciting new activities and awesome field trips. Summer Fun at NBCA has provided area children with a safe and exciting summer experience for over 30 years! We provide the opportunity for campers from 3 – 12 years of age to experience a wide range of physical, educational, recreational and spiritual activities, all in an exciting, hands on creative environment! Campers will enjoy the chance to make new friends, create happy memories, and to grow and improve their skills in a variety of areas.

Each day, campers will experience camp activities, organized games, arts and crafts, STEM projects, music sessions, athletic activities, Bible lessons and worship time, and a variety of fun-filled group activities.

With our outstanding program, excellent facilities, professional loving staff and friendly children, campers are sure to have an amazing summer at NBCA’s Summer Fun Program!

Available the whole summer, several weeks or just a few weeks...we are flexible!

Pre-K 3 and Pre-K 4 Program

Our littlest campers will have fun-filled days of learning all about God's creation, love, and power, through song, dance, hands-on activities, STEM projects, crafts, games, and special guests who come to share and inspire us to be all that God has created us to be! Both our Pre-K 3 and our Pre-K 4 programs will include creative daily activities that teach and review letter names, letter sounds, number recognition, and counting.

5 – 7 Year Old Program

The 5 – 7-year-old program will keep your child busy all summer long. Each day, our 5-7-year-old campers will have opportunities to hone and strengthen their reading, writing, and number skills in fun and creative ways! Mondays will be full of Learning Centers, Crafts, Story Times, etc. Tuesdays, Thursdays and Fridays they will rotate through "Enrichment Activities" in Art, Science, Music and Gym (see below for descriptions). Wednesdays, they will be leaving the campus to explore our area with exciting and fun field trips...such as Gattiland, Urban Air, Children's Museum, Bowling, Snake Farm, etc.

8 – 12 Year Old Program

The older children will have the opportunity to experience "Enrichment Activities" on Mondays and Wednesdays; special field trips on Tuesdays and Thursdays; and Fridays at the upper campus, rotating through exciting group activities!

Enrichment Sessions:

Art...professional art teacher teaching a large range of fun and exciting art forms.

STEM...exciting, fun and challenging activities and experiments. More details later.

Music...inspiring young musicians. More details later.

Gym Activities...sports basics along with classic and new exciting games.

Field Trip Examples:

Exploring the Hill Country, ZDT's, Urban Air, Altitude, Gattiland, Main Event, Witte Museum and a few "extreme" trips...still working on!

Friday Group Activities at the secondary campus:

Archery, classic outdoor games, flying machines, favorite gym games, indoor games...old and new, outdoor fun, etc.

Lunch: Campers need to bring their own lunch and drink daily. Microwaves and refrigeration are not accessible, so please plan accordingly.
